

2022 Spring Colts Equipment Form

NAME _____

Player's Agreement

I understand that I am receiving quality, safe, valuable and necessary equipment which is valued at over \$500.00. I know that I am expected to be responsible for it and treat it with care and respect. I know that it is my responsibility to clean and take care of all my issued gear. I understand that helmets are for my protection, and they NOT to be used as a seat, foot rest, or any other reason than to protect your head and face while participating in football related activities. I understand that it is the single most important and most expensive piece of equipment that I will be issued. I will not drop, slam or **throw** any helmet!

I understand that misuse of assigned equipment will not be tolerated.

Parent's Agreement

I agree to return all football equipment issued to my child by the Colts CLEAN and in good condition (apart from regular wear and tear). I understand that my Cheque for \$350.00 will be deposited by June 10 of the current year if I fail to return all equipment or if the equipment is damaged and unusable.
